# Create a Plan

### Plan your budget

- Costs
  - ✓ How much will your degree cost?
  - ✓ About how much will books, room/board, and living expenses cost?
- Think long-term
  - ✓ What career will you pursue?
  - ✓ What is the average salary range for that career?

### Consider all options

- Employment
  - ✓ Can you work part-time, or perhaps even full-time?
- Living standard
  - ✓ How frugally can you live while being a student?
- Ministry connections
  - ✓ Can your church or ministry contribute?
- Loans
  - ✓ How much will you need to take out in order to cover your remaining need?
  - ✓ Will you be able to reasonably manage your monthly payments with your anticipated salary?
