POSITION SUMMARY:

If you've ever attended a church worship service and thought to yourself, "wouldn't it be cool if they did ___ on a Sunday?" we would love to try it out. We want to authentically meet with God every Sunday together and we want to do a better job introducing people to him. While our regular Sunday service structure will feel familiar if you have been a part of non-denominational church culture the past 30 years, we want your giftings and passion to help us explore new ways of truly encountering God together, such as through Scripture reading, corporate prayer, call and response, silence, service, and other elements, in addition to music. You will join an all-volunteer team with a rotating weekly worship leader. You will join this rotation to lead our church in worship about once a month. This position will help you develop a practical philosophy of worship and would benefit you most if you either envision yourself leading worship at a church or leading a church in the future.
