

PARKING INFORMATION AND AUTO REGISTRATION

Please read and complete this form carefully.

Parking Permits

All Denver Seminary students, faculty and staff are required to register their vehicle(s) and display a current Denver Seminary parking permit for each vehicle parked in the Seminary parking lots. Vehicles without a parking permit, unless you are a guest parked in the designated guest parking area, will be in violation of the Seminary parking policies. (Please note that “Guest Parking” is only for visitors to the Seminary, not staff, faculty, or students).

No fees for up to two parking permits. Additional parking permits can be purchased for \$5 each.

Parking

Please see Parking Lot Policies available at the Student Account Office or [Parking Policies](#) for complete information. Policy enforcement includes issuance of parking citations or moving violation citations from authorized Seminary personnel and/or other professionals who may be contracted by the Seminary. Vehicles may be towed if the situation warrants.
