

# MINISTRY RESIDENCY PROGRAM

**Students** fund their seminary education and gain experience while **ministries** hire quality interns.

In the Ministry Residency Program, student interns serve with ministries in part-time roles gaining practical, apprenticed learning experiences while advancing the mission and vision of those organizations.

Ministries pledge to cover *at least* 40% of student tuition costs (tax free). As a result, students receive a 10% tuition discount on the remainder of their tuition.

## The Student Wins

- Acquire hands-on ministry experience
- Develop a practical philosophy of ministry
- Build ministry connections
- Minimize tuition debt
- Receive an additional 10% tuition discount from Denver Seminary

## The Ministry Wins

- Establish a low-cost staffing solution
- Create a culture of developing the next generation of leaders
- Fill the gap between volunteers and full-time employees
- Fill specific roles not requiring a full-time employee
