## Reference Guide for Seminary-Estimated Costs

Estimates are based on market analysis of local and national prices. Because estimates are based on market valuations, they are subject to change and fluctuate with the economy.

### Tuition & Fees

Due to the nature of the DMin courses being offered in the summer and winter, an F-1 student must acquire a new SEVIS number and I-20 for each residential class session since these sessions happen more than 5 months apart. Classes can be for one or two weeks depending on the student schedule and since the class session is all day for the week of residential learning, this is considered full time.

**Tuition**.....Based on 6 credits per residential course session and \$695 per credit hour. For DMin students, this is considered full time.

**Fees** .....Some courses have special fees for materials and testing, but this will vary.

**Books** .....This cost will vary depending on the kinds of books and amount needed.

**Supplies** .....Pens, notebooks, folders, backpack/satchel – any supplies for use as a student

### Housing

**Room** .....Based on the average cost of a hotel room in the Denver area (\$100/night for 16 nights). If housing is being provided by host families, this can be noted on the budget sheet.
