

PARKING INFORMATION AND AUTO REGISTRATION

Please read and complete this form carefully.

Parking Permits

All Denver Seminary students, faculty and staff are required to register their vehicle(s) and display a current Denver Seminary parking permit (blue ink with no academic year) for each vehicle parked in the Seminary parking lots. Vehicles without a parking permit, unless a guest parked in the designated guest parking area, will violate the Seminary parking policies. (Please note that "Guest Parking" is only for visitors to the Seminary, not staff, faculty, or students).

Parking

Please see Parking Lot Policies available at the Student Account Office or www.denverseminary.edu/parking for complete information. Policy enforcement includes issuance of parking citations or moving violation citations from authorized Seminary personnel and/or other professionals who may be contracted by the Seminary. *Parking in Seminary lots is at your own risk. The Seminary is not responsible for damage or theft to vehicles or its contents.* Vehicles may be towed if the situation warrants.
